## 8. CHARGES AND PAYMENT

- 8.1 The charges for the Service will be as quoted on the relevant Website at the time you submit the Order, and confirmed in your Order Acceptance email.
- 8.2 Payment will be made in pounds sterling (£) via credit or debit card online and will be collected by the relevant governmental authority or UK Government Department as specified at the time the Order is submitted (the "**Authority**"). For the avoidance of doubt, the Contract will not be binding until the point of Order Acceptance in accordance with clause 3.4.

- 8.3 Once payment has been collected by the Authority and you have received our Order Acceptance email, you have 12 months from the date you receive our Order Acceptance to supply us with all relevant information and documentation required to complete your application.
- 8.4 If we require additional documentation from you and you do not provide this within the specified period you will need to submit a new application and pay the relevant fee again.
- 8.5 Charges for the Service may change from time to time but changes will not affect any Order we have already accepted.
- 8.6 Where VAT or other taxes are required to be paid, these will be listed on the summary of your Order prior to payment and on your Order Acceptance email.
9. **DELIVERY OF APPLICATION OUTCOMES**
- 9.1 Your Order Acceptance email will provide an estimated completion and dispatch time for your Application Outcome. Such time estimates are for the completion of your Application Outcome and do not include the time taken for delivery. Subject to clause 9.2, time estimates are calculated as follows:
- 9.1.1 For Fast-Track Services: your Application Outcome can be progressed once we have sent an Order Acceptance email and will be completed 1 or 2 working days (within business hours of (9:00am to 5:00pm) from completion of the steps set out in clause 3.3.
- 9.1.2 For all other Services: your Application Outcome can be progressed on completion of the steps set out in clause 3.3. Your Application Outcome will be completed within the number of working days specified for the Service. This will be a time estimate only and due to circumstances outside of our control or unusually high demand, we may not achieve our estimated time for completion. We will be under no obligation to provide a refund where we are unable to comply with time estimates for these reasons.
- 9.2 Research may be required for us to complete your Service (such as gathering information from third parties) and we will inform you as soon as practicable if this is the case. We are unable to provide time estimates where such research is required and we will not be liable for any missed time estimate.
- 9.3 Depending on which Service you have applied for, the default method of providing an Application Outcome to you is either e-statements, which are secure, digitally signed documents delivered directly to your Ecctis account on the Portal, or Unique Person Identifier (UPI) codes provided on the Portal. For the avoidance of doubt, e-statements or UPI codes are not the only method by which we will provide Application Outcomes, as set out in clause 4.3.
- 9.4 E-Statements (which are available for certain Services only) are available to be downloaded immediately after issue and are chargeable per Service. E-Statements do not expire and are a valid alternative to hard-copies of our Application Outcomes (where Application Outcomes take the form of a written statement).
- 9.5 Physical copies of statements are only available to order for certain services. Where a physical copy, is an option available for the Service, if you order a physical copy:
- 9.5.1 depending on the time of day that the Application Outcome is completed, it will be sent to you either the same day or next working day;
- 9.5.2 the physical copy of your Application Outcome will be posted to you via a tracked delivery method;
- 9.5.3 you will be required to pay a postage and packaging fee in addition to the fee for the Service. The charge for your delivery will be shown in your Order summary when you have put the Order in your online basket and on your Order Acceptance email; and
- 9.5.4 once the physical copy of your Application Outcome has left our offices, it is the responsibility of the postal delivery provider or courier to deliver it. We are not responsible

for any Application Outcomes lost in transit. We reserve the right to charge you to reprint and resend your Application Outcome.

## 10. CONTACTING ISSUING INSTITUTIONS

10.1 Where necessary to deliver the Service, or to prevent fraud, we will contact the institution or organisation that issued your qualification for the following reasons:

10.1.1 where we need to undertake further research or gather further information in order to provide our Service because:

- (a) such further information is a requirement of the Service you have applied for; or
- (b) it is a new qualification that we have not encountered before and need to establish a comparison level in order to complete the Service; or

10.1.2 where we need to confirm you have completed the course and/or graduated from the institution either because it is a requirement of the Service or we have concerns relating to fraudulent activity.

10.2 When gathering further information for research purposes pursuant to clause 10.1.1 above, we will if it is possible to do so, request information on an anonymous basis and we will not share or request any personal information relating to you. If anonymous information is not sufficient, we will request the information directly from the institution if we are able to lawfully, or you may need to either:

10.2.1 contact your issuing institution yourself, asking them to send specific information directly to us; or

10.2.2 sign a declaration authorising your issuing institution to send us specific information.

10.3 When contacting institutions for the purposes of confirming that you have completed a qualification and/or graduated pursuant to clause 10.1.2 above, we will either:

10.3.1 if we are able to do so lawfully, contact your institution directly, or via a third-party company, requesting they confirm that you completed your studies and/or have graduated;

10.3.2 ask you to contact the institution yourself, asking them to send us confirmation in writing that you have completed your studies and/or graduated; and/or

10.3.3 ask you to sign a declaration authorising your issuing institution to send confirmation in writing to us that you have completed your studies and/or graduated.

10.4 For the purposes of clause 10.3 above, you agree that we can share details of your qualification and/or identity documents with the institution or organisation.

10.5 For the avoidance of doubt, where a Service requires verification in accordance with this clause 10, we will not be able to complete Orders if we have not received a response from the relevant institution or organisation within the timeframe set out in the Service Description. In such instances, the Order will be closed and you will not be eligible for a refund.

## 11. PROTECTING YOUR DATA

11.1 We will comply with applicable UK and EU data protection laws at all times during the Contract and when processing your personal data.

11.2 For purposes of this clause 11, “**controller**”, “**processor**”, “**processing**”, and “**personal data**” shall have the meaning given to them in the UK and EU data protection laws (and the terms “**process**” and “**processed**” shall be construed accordingly).

11.3 Any information that you provide to support an application for a Service will be processed in

accordance with our Privacy Notice, which can be read at <https://enic.org.uk/privacy-notice/>. Our Privacy Notice also contains information on the types of Personal Data which will be shared between the parties during the Contract.

- 11.4.1 a processor acting on behalf of a UK governmental, statutory, regulatory or public body or such other third party controller as further detailed in the Ecctis Privacy Notice; or
  - 11.4.2 an independent controller in respect of any other processing activity that we carry out in connection with the Contract.
- 11.5 Depending on the Services selected, we may be acting as a processor pursuant to 11.4.1 or a controller pursuant to 11.4.2. We have identified when we will be acting as either processor or controller in the Privacy Notice.

## 12. RELIANCE ON INFORMATION PROVIDED BY US

- 12.1 When we deliver our Services, the information we provide is an evidence-based opinion arrived at using expertise in the field. Unless otherwise stated, we provide a general level of qualification that is not specific to the subject studied, the institution or organisation that issued the qualification or grades that were obtained.
- 12.2 When you provide your Application Outcome to a third party, they may or may not choose to rely on the assessment we make and they cannot be compelled to agree with or rely on our opinion.
- 12.3 We will not be held liable for any financial loss that you may suffer when someone else relies on, or chooses not to rely on, the opinions expressed in our Application Outcomes.

## 13. LIABILITY

- 13.1 We are responsible for losses you suffer caused by us breaking this Contract, unless the loss is:
- 13.1.1 **Unexpected.** It was not obvious that it would happen and nothing you said to us before we accepted your Order meant we should have expected it (so the loss was unforeseeable);
  - 13.1.2 **Caused by a delaying event outside our control.** We are not responsible for delays outside our control; or
  - 13.1.3 **Avoidable.** Something you could have avoided by taking reasonable action. For example, any losses resulting as a result of a delay to your application, which was caused by your delay in providing the necessary documentation to us.

## 14. ENDING THIS CONTRACT

- 14.1 If you have ordered the incorrect Service, we are unable to make a Service change once payment has been made, and you will need to request a cancellation of your Order.

- 14.6 We may end the Contract with you, suspend the supply of Services under the Contract or revoke all or any part of the Application Outcomes issued to you from previous Orders you have purchased with us, with immediate effect by giving you notice in writing if:
- 14.6.1 we suspect or detect any dishonesty or fraudulent activity which has been committed by you (for the avoidance of doubt, if a live identity check needs to be completed by you (as set out in clause 3.3.3), then allowing any third party other than you to complete the check will be deemed a fraudulent activity);
  - 14.6.2 we suspect that you are not using our Services for your own personal, non-commercial and lawful purposes;

  - 14.6.4 you have behaved in an inflammatory, offensive, or otherwise unacceptable manner towards us or any of our employees or contractors acting on our behalf.
- 14.7 We may end the Contract with you in the very limited circumstance where the contract which we have in place with an Authority relating to the provision of the Service expires or the Authority cancels such contract with us, and as a result we are no longer able to fulfil the provision of the Service to you. In these circumstances, we will provide you with two months' prior written notice before ending this Contract and we will refund all the fees you have paid in respect of the purchased Services which have not already commenced.
- 14.8 If we end the Contract, suspend the Services or revoke any Application Outcomes due to the reasons set out above, you may raise a complaint following the procedure set out below.
- 14.9 In addition to our rights above, if we suspect that you are providing false information or we detect or suspect fraudulent activity, we have the right to pass your information to the police, other fraud prevention agencies, Government departments or other government agencies.

15. **RESOLVING ERRORS AND DISPUTES**

- 15.2 **Our complaints policy:** If you have any complaint about the Services provided under the Contract (including if you are unhappy with the result of an assessment we have made or if you would like to appeal a fraud decision) you can raise the complaint in accordance with the procedure detailed

in the Complaints Policy. We agree to attempt in good faith to resolve any complaints in accordance with the Complaints Policy.

- 15.3 **Resolving disputes without going to court:** If we are unable to resolve your complaint after following our Complaints Policy, we would encourage you to submit the complaint to an ADR body approved by the Chartered Trading Standards Institute, who will attempt to help us resolve the dispute without the need to go to court. Please contact us for the name and website address of an approved ADR body in our business sector. The ADR body will not charge you for making a complaint. If you are not satisfied with the outcome, you can still go to court.
- 15.4 **Going to court:** These Terms and Conditions are governed by English law and wherever you live you can bring claims against us in the English courts. - 16.2 **Transfer of Contract.** We may at any time transfer our Contract with you, so that a different organisation is responsible for supplying the Services to you. We will inform you in writing if this happens and we'll ensure that the transfer won't affect your rights under the Contract.
- 16.3 **Confidentiality.**

When you give up any rights or remedies under the Contract or by law in this way, this doesn't mean that you are agreeing to give up any subsequent rights or remedies.

- 16.9 **If a court invalidates some of the Contract, the rest of it will still apply.** If any provision or part- provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of the Contract.
