February 2015

Welcome to the February 2015 edition of the NARIC News.

New premium NARIC membership package set for March launch

- Includes new eTraining – train staff anytime, anywhere
- Fully integrated access to the International Grade Comparisons database

UK NARIC is set to launch a new top level membership package, especially designed to support colleges and universities with their recruitment and admissions processes. It will go live in March.

The membership package, called Level 6 – Premium, includes access to the International Grade Comparisons information base providing grade distribution information on qualifications from 65 countries. ([more...](#))

Emerging International Markets: London seminar on 13 March

Book a place on our Emerging International Markets development day in Hammersmith, London. Latest data from NARIC and other sources will be examined to help you identify new markets in a crowded HE and FE landscape.

Speakers include: Janet Ilieva of HEFCE on key potential markets; Liz Shepherd of the British Council on global English language provision; John Mountford of the AoC on FE and international markets; others TBC. ([Book now!](#))
